Dear Mr. Holst and Friends,

Thank you for your contribution of \$ 405.00 to support ARRL's Spectrum Defense Fund.

Through this gift, you are providing critical resources to help ARRL staff and volunteers maintain our vigilance to protect radio amateurs' access to the radio spectrum. The explosive growth in demand for spectrum to support commercial broadband services is generating tremendous pressure on incumbent services, including Amateur Radio.

Your trust in the ARRL to keep a watchful eye on behalf of Amateur Radio – in official Washington and elsewhere – is greatly appreciated. Please be assured that we are always alert and proactive in our commitment to detect and respond to any threat to our allocations.

Again, many thanks for giving to the Spectrum Defense Fund. With your support, we can look forward to the challenges ahead with confidence and conviction.

*Thank you
for your support!*

73,

Kevin T. Beal, K8EAL
Director of Development
