Subjects discussed were Field Day, the Scholarship Fund, Maine 200 Bicentennial, the 145.150 K1QA repeater and Field Day at the Maine Ham Radio Society.

At this point the ARRL has not changed any of the FD rules and has provided little guidance.

The Scholarship fund was approved at a prior meeting and the necessary paperwork will be completed by Alan for the \$500 to be presented to a student for the fall semester.

The K1QA is still working intermittently. W1LH will continue to troubleshoot.

Meeting concluded at 1800 hrs.

Respectfully submitted as unofficial,
Roger Holst , secretary
